Cancer Drive To End April 30 Fund Nears Top

"Mrs. Ethan Lanphear, Miss Fablinger and Mrs. E. F. Ballot deserve a lot of credit for the good progress of the Campbell Fund-raising campaign for the American Cancer Society," Frank Accardi, general chairman stated on Wednesday. "The \$500 goal is expected to be reached by the end of the week," Accardi added.

The annual drive will come to an end on April 30 according to Edward M. Seacord, Santa Clara County Campaign chairman. However, the county goal of \$28,500 is falling far short of the top and it is up to the public to assist financially in making possible further research for the control and cure of cancer.

Pay-As-We Go Plan For County Units Outlined

A pay-as-we-go plan to provide badly-needed county buildings in a unified government center, more accessible to the county as a whole, was outlined for the Campbell Rotary Club at its luncheon meeting Monday by Nestor Barrett, executive director of the County Planning Commission.

Barrett reported the proposed development of the county-federal-state center on 66 acres the county and San Jose bought last year at the northern edge of San Jose will come before the planning commission and the Board of Supervisors at final public hearings next month.

In answer to questions, Barrett revealed that the new Route 5 Oakland Freeway, passing across the north of San Jose, would follow the creek just east of Campbell on its way to Los Gatos, and would provide the west side with much easier access to the county center than present routes thru congested downtown San Jose. Free, off-street parking would be available at the new site, directly beside the building at which a citizen was doing business, whereas such parking cannot be provided at the present site without tremendous cost.

Further development of the St. James Park site Barrett said, would require buying more land north of the park at an estimated cost of over \$4,000,000, exclusive of demolitions, whereas the 66 acres in the new First and Rosa street site, which cost only \$198,000. Extremely costly skyscraper construction at the St. James site was balanced against unit-by-unit construction of two and four-story office buildings at the northern site.

The county now has about \$800,000 in its building fund, accumulated during war years, Barrett said. It could start building most urgently needed units at the new site at once, whereas the St. James development would require a heavy bond issue. Pay-as-you-go construction would have added value, he continued, in that wings could be added in such a group of buildings, whereas offices in an expensive skyscraper would be frozen in size and shapes, though their needs would change in this rapidly growing county.

Barrett was introduced by Norman Stoner.

Miss E. Sheer, school nurse, spoke and presented a movie on "The Story of Human Growth." Mrs. George Robertson, outgoing president, was presented with a potted plant.

Robertson, Mrs. Joseph Connetto, Mrs. Gerald Greenburg, Mrs. Bertha Hoagland, Mrs. Mary Frances Proctor, Mrs. Rex Fuller, Mrs. Charles Sanelli, Mrs. Barr, Mrs. Jim Peterson, Mrs. H. Todd, Mrs. W. M. School Elects Pat Boone As Queen, Don Delamore As King To Reign At Ten Hour Festival Sunday

Patty Boone and Don Delamore were elected by popular vote to reign as king and queen Sunday when the Cambrian ten hour May Day fiesta opens in colorful spring splendor at 2 p.m. at the Cambrian school grounds on the San Jose-Los Gatos road.

A full day of active events are planned for all fiesta lovers with prizes of all kinds and value being awarded at regular intervals, according to general chairman Herb Brash. Sponsors of the day are the members of the Cambrian Men's club. The youth organizations in this growing community will benefit from the proceeds.

The royal majesties, Patty and Don, will preside over various festivities. Patty, 13, and Don, age 14, were chosen by popular vote in a student body election at the Cambrian Grammar school. The youngsters also voted the pair a royal court to attend them as they participate in activities throughout the colorful day. Royal attendants are Karen Brandon, five year old daughter of Mr. and Mrs. Louis Brandon; Neata Edsinger, age six, daughter of Mr. and Mrs. James K. Ensminger; and Edwina Smith, seven year old daughter of Mr. and Mrs. Ed Smith.

Queen Patty is the daughter of Mr. and Mrs. Timothy Boone and King Don is the son of Mr. and Mrs. Art Delamore.

Things will start with a bang at 2 p.m. when the field opens and the concessioners begin vying for the nickels of patrons at their gaily decorated booths. At 3 p.m. a costume parade featuring the youngsters of the Cambrian school will get under way. Then, promptly at 3:30 p.m. the crowds will surge around to see the coronation of the king and queen, together with their royal court. Firechief Lingua will preside at the coronation ceremonies. Mr. Stephen Craig, seventh grade teacher at Cambrian, wrote and prepared the script for this impressive ritual.

Anxious to keep the crowds interested at all times, the Cambrian committee has planned for a judging of parade units at 3:55 p.m. Acting as judges will be Mrs. Earl Campbell, Mrs. Larry Hill, Supervisor Dr. Earl Campbell, Mr. Larry Hill and Lingua. All prizes will be awarded by the royal family.

Marching in the costume parade will be the Drum corps of the Union Elementary school led by their Principal Kenneth McDonnell.

The young group, composed of 32 paraders, 16 of which are drummers, will wear the colorful green and white uniforms that made them costume winners in the Campbell Old Settler's Day Parade in February. They will carry the letters of their school spelled out on cards.

Drum major for the young group is fourth grader Davey Downing who will strut in the front lines together with several drum majorettes.

The program will continue at 4 p.m. with folk and May Pole dancing. The dances will be by school activities. Then at 5 p.m. there will be the first awarding of prizes.

Starting at 7 p.m. and going through until midnight, Clyde Appleby and his popular dance band will play for social dancing. There will be no charge. Also at 7 there will be games. The big moment of the day will arrive at 10 p.m. when the television sets will be given away. Then, at 10:30 p.m., a free refrigerator will be given away.

"There will be something doing every minute of the day," said Brash, "and every resident of this area should plan to drop around for a few minutes, a few hours, or the whole day. It's one May Day that patrons will remember for a long time to come."

Meets May 5

Members of the Sequoia Sewing Circle will meet at the home of Gale Plymale, Thursday, May 5, on Harrison avenue. At the group's last meeting at the home of Mrs. York, plans were started for a progressive dinner in June. Further plans will be discussed Thursday.

Demonstration Groups of County To Hold Outing

The Home Demonstration groups of Santa Clara County will observe their fourth annual Home Demonstration Day, Thursday, May 5, at the Los Gatos Union High School.

According to Mrs. Agnes Van Tilborg, countywide chairman, the theme of the day is "Successful Home Sewing." Short cuts and quick tricks for more satisfactory home sewing will be shown during the morning demonstration. Starting at 10 a.m. the program will include a radio skit, a sewing demonstration, and a fashion show, featuring the dresses made this spring in the Home Demonstration groups.

Lunch will be a picnic pot luck on the spacious lawn of the Los Gatos High school. Music and entertainment is planned for the noon hour. Mrs. Edythe Flagg, chairman of the Campbell group, urges all homemakers in the Campbell area to attend this gala day. If you wish to join in a community pot luck, Mrs. Flagg asks that you call Mrs. Ann Peterson, Campbell 2305 or herself at Campbell 3445. Sandwich lunches may be brought. All homemakers are asked to bring their own table service. Mrs. Flagg suggests that it would be a good idea to bring platters or blankets to sit on or card tables and camp stools.

The highlight of the afternoon will be an address by Frances Reis, assistant clothing specialist of the University of California Agricultural Extension Service. Miss Reis will speak on "Fabrics to Fit Your Figure."

"Anyone interested in the Home Demonstration program and would like to learn more about the streamlined sewing techniques demonstrated this spring is invited to attend," said Mrs. Flagg. "Child care will be provided for a moderate sum."

Exhibits featuring the work of Home Demonstration groups will be arranged by Mrs. R. M. Faucett, Mrs. M. Gemello and Mrs. W. L. Peterson.

In Santa Clara county the Home Demonstration groups are a part of the Agricultural Extension service. The Home Demonstration Agents are: Mrs. Winifred Jecker, Mrs. June MacLure and Patricia Larson. Their offices are located at 201 Post Office building, San Jose. The home demonstration program is made available through the University of California and the United States Department of Agriculture.

Knapp To Show Latest Color Film On Travel, Pre-Historic Inca Lands At Campbell Auditorium May 13

"Travel Trails of the Andes," the latest movie filmed by the world famous traveller, Herbert Knapp, will be shown in Campbell Friday, May 13, at 8 p.m. in the Campbell Grammar school auditorium. Knapp will comment on the movie as it runs.

Knapp, a former resident here, began his career as a producer of documentary film in 1936 when a carefully planned vacation trip around the world ended on the South Sea island of Tahiti. Here was paradise for sure, he reasoned, and hundreds of thousands of lecture-goers who thrilled to the beauty and nostalgic charm of his "Polynesia, A Tale of Tahiti," wholeheartedly agreed with him.

The present film is a travel experience along trails of the past, through the fabulous toy of the world empire of pre-historic Inca lands in Ecuador and Peru.

Although lecture audiences have seen very little of Herbert Knapp since the beginning of World War II, he has done more motion picture work than ever before. Long considered one of the top color cameramen of the country, his productions for the government during the war included such well-known films as "Down Where North Begins" and "Heart of the Inca Empire."

The world traveller will be in Campbell for the one night showing only. Admission will be asked.

Mrs. Julius Bachman returned Tuesday evening from a three weeks visit with her daughter and son-in-law Mr. and Mrs. Bill Walker of Pasadena. She was also getting acquainted with a new baby boy who has been named William Robert.

How your HOME FREEZER

PROVIDES BETTER MEALS
AT LOWER COST

Thousands of California homemakers are serving meals of more variety and better quality—all at a substantial saving through the thrifty use of their Home Freezers. And here is how you can do it, too.

More Variety You can freeze almost any kind of meat, fish, poultry, fruit and vegetables. Thus Spring Lamb and summer fruits and berries can vary the winter menu.

Better Quality You can buy fresh foods at their peak-of-season flavor and quality, and you preserve them at their best by quick freezing. More of vitamins, so necessary for good health, are retained.

More Convenience It is like having a market in your own home when you have a well-stocked Home Freezer. And how convenient that is! Here are foods for box lunch meals, from sandwiches to dessert, all ready to pack in a hurry. Or complete meals, cooked, ready for heating and eating including many kinds of baked foods. And there are party foods for special occasions or for unexpected company.

Greater Savings Buying in a larger quantity at low prices saves money. Leftovers frozen for later use eliminate waste and add to meal variety. Many users say their home freezers have paid for themselves these three ways—through quantity bargain buying, elimination of food waste and fewer shopping trips.

Preparing food for home freezing is not difficult to do. Detailed instructions come with the Home Freezer you buy. Ask your electric dealer about a Home Freezer of adequate size to fit the needs of your family.

Children's Service Guild Honors 'Play Ladies' In Afternoon Tea

Mrs. Beatrice Baird, director of nurses of the Santa Clara County hospital, introduced the seven "Play Ladies" honored at the tea given by the Children's Service Guild April 21 at the hospital. The honorees have donated at least an hour a week the past year to entertain the children at the county hospital.

Each of the "Play Ladies" were given a lovely corsage and Mrs. Baird told the other members "one had only to look at the children's faces when the

"Play Ladies" arrived to know how much they are appreciated." During the short business meeting, presided over by Mrs. Vincent Gorman, entertainment for future meetings was discussed. It was announced that more books were needed and in addition, a string trio entertained the group with three selections under the direction of Dick Gordan. In the trio were Carol Shrader, Margaret Roe and Sandra Howard from the Campbell Grammar school.

HOW MANY COAST JOBS WERE BORN

Pacific Telephone's construction program has made work for countless thousands and added to the West's postwar prosperity

1. When you see telephone cable on its way to work, you're watching the West benefit in two important ways. It means new voice highways for the West... more telephones... better service. It also means jobs and paychecks for the men who make the cable, those who install it and, later on, those who maintain it. And putting in new cable is just a small part of our building program.

2. Hundreds of new buildings mean work for carpenters, bricklayers—and work for those who provide the materials. They mean future jobs for telephone people. Since the war, we've put half a billion dollars to work in new construction. Much of it has found its way in ever-widening circles into the economy of practically every city and town in the West.

3. More business for the baker, the druggist, the clothier—telephone construction has given the West a big postwar lift. There's no way, of course, to trace all the jobs created by just one mile of cable... or one building. But it would probably be hard to find a family whose income has not benefited, in some way, from the money we've spent to provide more service.

4. It all adds up—this tremendous building program—to a better West for all of us and better telephone service. You can help yourself to the best possible service, too. Such things as making sure of the right number before you call and giving the called party plenty of time to answer help make your telephone a better servant.

The young adult Sunday school class at the Methodist Church will begin a new series of lessons May 1 on the general topic, "What Jesus Taught." The plan for the month is as follows: May 1—"Jesus Teaching about God;" May 8—"Jesus Teaching on Family Life;" May 15—"Jesus Teaching on Prayer;" May 22—"Jesus Teaching on Possessions;" May 29—"Jesus Teaching on Death and Eternity."

Mrs. Robert McCall is the president of the class and Rev. L. J. Osborne, pastor, is the teacher. The class meets in the Parish house at the regular Sunday school hour at 9:45 a.m.

The choir of the Methodist church will sing "Listen to the Lambs," for the anthem next Sunday at the 11 a.m. worship service. The pastor, Rev. Osborne, will preach on the subject "Teaching Religion." In the afternoon at 4 p.m., a tea will be given in honor of Mrs. Rose E. Hanger.

On Mother's Day, May 8, the mothers of the church and community will be honored. A beautiful plant will be given to the youngest mother present, one to the oldest mother, one to the mother with the most children, and one to the mother with the youngest child at the 11 a.m. worship service. The complete service will be planned around the theme of the Christian home, according to Rev. Osborne.

Homen, a member of the Santa Clara Council No. 1, SES, lived in this area for 30 years.

The rancher leaves his widow, Eugenia V. Homen, and two sons, Joseph B. Homen, Jr., Campbell, and Alvin M. Homen of Hollister; a sister, Mrs. Marie Vierra, and a brother, Manuel V. Homen, both of the Azores Islands; a nephew, Manuel R. Homen of San Jose, and two grandchildren.

Funeral services were conducted Thursday from the Mission Chapel of Rancadore and Alameda. Requiem mass was celebrated at St. Lucy's church in Campbell. Interment was in Santa Clara Catholic cemetery.

Christian Science Lecture

"Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?" (Romans 6:16). This is the Golden Text of the Christian Science Lesson-Sermon for Sunday, May 1, on the subject "Everlasting Punishment."

The following citations are included in the sermon:

The Bible: "Make straight paths for your feet, lest that which is lame be turned out of the way; but let it rather be healed. Follow peace with all men, and holiness, without which no man shall see the Lord" (Hebrews 12:13, 14.)

"Scriptures and Health with Key to the Scriptures" by Mary Baker Eddy: "Moral courage is requisite to meet the wrong and to proclaim the right. But how shall we reform the man who has more animal than moral courage, and who has not the true idea of good? Thru human consciousness, convince the mortal of his mistake in seeking material means for gaining happiness. Reason is the most active human faculty. Let that inform the sentiments and awaken the man's dormant sense of moral obligation, and by degrees he will learn the nothingness of the pleasures of human sense and the grandeur and bliss of a spiritual sense, which silences the material or corporeal. Then he not only will be saved, but is saved" (p.327).

Kenny Lucas, Lavoy Rollins Give Demonstration To Cambrian 4-H

Forty members and parents met for the regular monthly meeting of the Cambrian 4-H club recently at the grammar school. Kenny Lucas and Lavoy Rollins gave a demonstration on chickens, showing the growth of the chickens on two different types of feed.

The community project committee reported that the rose bushes have been planted along the Cambrian school fence. There were 30 bushes planted, and each member will take the responsibility of training the bushes through the wire fence.

The program of work was given each member and explained by Mrs. Adamae Barnes, local clothing leader. The club has planned a very active program for the balance of the year, she said.

The 4-H's plan to have a one hundred per cent participation in the County Exhibit day to be held at the Santa Clara County Fairgrounds May 21. All members will exhibit their score cards and their awards at the regular June club meeting. A photographer will be on hand at the June meeting to snap pictures of club members for the scrapbook.

The National 4-H club magazine was introduced to the members by Bob Campo. At each meeting, there will be three club members appointed to give short talks on articles from the magazine.

The boys of the 4-H club went on a project tour last Saturday and then met at Mrs. Barnes' home where the clothing club served refreshments.

The meeting closed with movies and refreshments.

The number of immigrants to Brazil between 1820 and 1939 was 4,645,462.

QUALITY FOODS

Just Two Short Years Ago

Flood's Market made its humble beginning in the small building just across the street from the present location. Within twelve months, business grew to such proportions to warrant moving into the present. With nearly five thousand square feet of selling space, Flood's Market is today the largest both in floor space and Sales Volume in the Campbell area. This rapid growth has been no accident. The food buying public of the San Tomas District have found Flood's to be at all times competitive. Their weekend ads are among the hottest in Santa Clara Valley. With almost 100 feet of refrigerated self-service cases. Their dairy, delicatessen, beverage, and fresh produce departments are most appealing.

The Meat Department under the capable management of Mr. Claude Hague, has made most rapid advances in sales and customer satisfaction.
